

Machine Learning Engineer Resume

Contact Information

Name: Riley Morgan

Address: 3301 Tech Park Blvd, Enterprise City, USA

Phone: (555) 321-5432

Email: riley.morgan@example.com

LinkedIn: linkedin.com/in/rileymorgan

GitHub: github.com/rileymorgan

Professional Summary

Experienced Machine Learning Engineer with a strong background in designing, building, and deploying scalable machine learning models. Adept at data engineering and deploying AI solutions into production environments. Looking to leverage deep learning expertise to tackle new challenges in a dynamic team setting.

Education

M.S. in Computer Science, Specialization in Machine Learning, College of Engineering and Tech, 2020

Relevant Coursework: Deep Learning, Advanced Machine Learning, Distributed Systems

Work Experience

Machine Learning Engineer, NextGen Robotics, March 2020 - Present

- Engineered and deployed machine learning pipelines and models for production, resulting in a 25% increase in system efficiency.
- Collaborated closely with data scientists and software developers to integrate AI/ML solutions into existing company products.
- Conducted research and development on state-of-the-art algorithms in computer vision and natural language

processing.

Skills

Programming: Python, C++, Java

Machine Learning Frameworks: TensorFlow, PyTorch, Keras

Data Engineering: Apache Kafka, Apache Spark, Hadoop

DevOps Tools: Docker, Kubernetes, Jenkins

Certifications

Machine Learning Certification, Global Engineering Certification Board

Advanced Data Engineering with Spark, Coursera

Projects

Project A: Integrated machine learning with robotics to enhance automation in manufacturing.

Project B: Led the R&D for an AI-powered drone surveillance system.
